

Expand Your Service Offerings  
Boost Customer Satisfaction  
Optimize Your Resources  
You shouldn't have  
to overextend your  
resources to offer  
specialized roof testing  
services.

Clients expect comprehensive roofing solutions, including advanced testing and analysis. However, investing in specialized equipment, training staff, and staying current with the latest testing methodologies can be prohibitively expensive and time-consuming for many businesses.

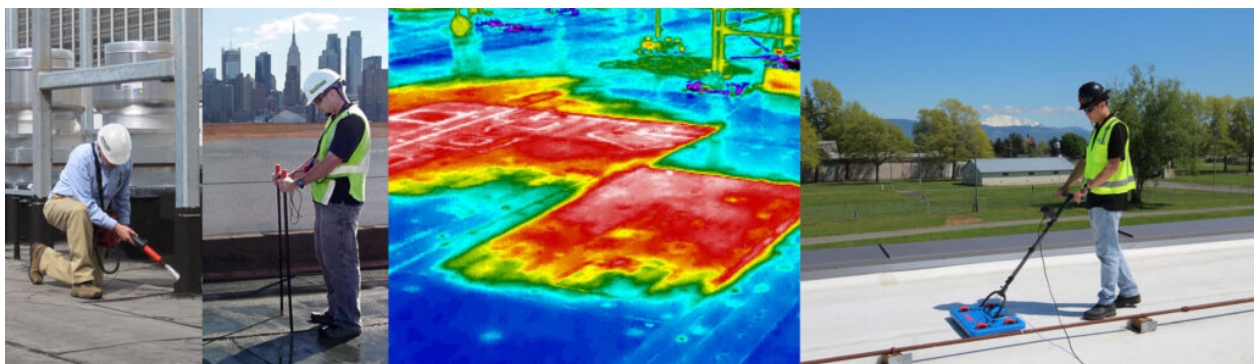

BECOME A PARTNER

Offer world-class roof testing services without over-taxing your resources.

Leveraging our state-of-the-art equipment and decades of experience will enhance your service offerings and customer satisfaction. We're here to complement your expertise and add value to your client relationships:

- Enhance your service portfolio by leveraging our state-of-the-art equipment and decades of experience.
- Increase client trust and loyalty with the highest quality roof testing services.
- Focus on your core business while we handle specialized testing needs.

# Why Partner with ATS?

We pride ourselves on maintaining the highest professional standards in everything we do:

*Specialized Expertise:* We specialize in testing every type of roofing and waterproofing system ensuring the most thorough and accurate testing available.

*Certified Technicians:* Our team includes all Certified Thermographers with over 200 years of combined experience, trained to the standards of the American Society for Nondestructive Testing (ASN)

*Cutting-Edge Technology:* We utilize state-of-the-art equipment, including high-resolution FLIR imaging systems, to ensure the most accurate results.

**Independent and Unbiased:** As an independent consulting firm, we provide complete and unbiased information and maintain the highest level of integrity in all our partnerships.

**Continuous Education:** We stay at the forefront of the industry through ongoing training and by hosting educational webinars on Roof Moisture Surveys and Electronic Leak Detection.

# Partnership Benefits

## Roofing Contractors

Expand your service offerings and win more bids by partnering with All Testing Solutions. Our collaboration allows you provide comprehensive testing services, improving project outcomes and client satisfaction:
